

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates. The cable ownership

cap is a crucial element of our democratic media, and it should not be weakened.

I strongly object to the FCC allowing more media consolidation by lifting the cap on cable ownership. Allowing consolidation threatens the diversity of cable TV and the Internet. Lifting the cap will seriously erode our democracy. this will lead to the destruction of our American way of life.
